ENTREPRENEURSHIP IN MOTION ENTREPRENEURSHIP IN MOTION

Welcome to the Africa-Greece Entrepreneurship Summit 2025, a celebration of connection, resilience, and bold ideas that transcend borders.

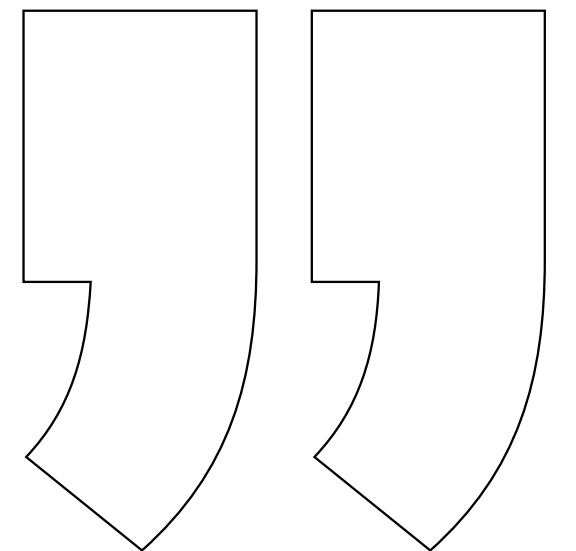

This summit is a movement, built on the belief that when Africa and Greece come together, we ignite the kind of innovation that drives sustainable growth, inclusive opportunities, and shared prosperity.

In a world shaped by complexity and rapid transformation, the AGE Summit stands as a platform for action, empowering entrepreneurs, policymakers, and creative minds to shape solutions, spark partnerships, and lead communities toward a future grounded in equity and collaboration.

We gather here to build bridges, not just between continents, but between visions, generations, and industries. Through dialogue, learning, and co-creation, we are investing in a future where entrepreneurship is a tool for peace, progress, and possibility.

We're honored to have you with us. Let's make this summit meaningful.

Warm regards,
